Countdown: 8 more days of school

Hooray - we've made it to June 2010!

Congratulations to First Graders who presented such **fabulous** reports at last week's **State Faire**. Our visitors were most impressed and you really had fun learning and sharing. Thanks especially to families who helped set up and clean up the big event.

Bravo to the entire cast of "**The Little Red Hen**" - your performance was spirited and enchanting. Who helped us do so well this year? Our parents did! Thanks for all the help and support.

We have our main event next Monday, June 7 in the Gibson Center from 1:15 - 2:30, **The Teddy Bear Tea Party!** You'll be asked to participate by bringing a guest Teddy Bear. Coordinator Peggy can answer all your questions. We'll be celebrating our year together, summer birthdays, and sending our farewells to Ceci and Melissa.

Important to Note: Today was our last day of the Hot Lunch program. Be sure to send lunch on Thursday and Friday. Wednesday is a minimum day!

Year End Classroom Jobs: Each student is responsible for cleaning the desk they have used this year. Parents will be expected to help scrub any marks left by their children. We are not referring to general and typical respectful use. There are cases where your children have marked with crayons and/or markers on the insides of these desks. Be sure to check with us by Monday. Thanks!

Date	Events
Tuesday, June 1	Just days away!
Wednesday June 2	Minimum Day
Thursday, June 3	
Friday, June 4 Farewell Mass	Reading Log is DUE (will not accept late logs)
Monday, June 7	Teddy Bear Tea Party 1:15 - 2:30
Tuesday, June 8	
Wednesday, June 9	Cleaning Day! Send along a big bag
Thursday, June 10	Last Day of School dismissal 10:30 a.m.

Math units not completed will be sent home. We are working on the concepts of **MONEY** - go "shopping" or play "restaurant" where your child needs to "pay" with coins (penny, nickel, dime, quarter only) Have fun - what DOES it mean to get change?
