

Fall Registration Band

East Bay Schools

- Offered to grades 4-8. No previous experience needed.
- Once a week instruction conducted at school.
- Go to www.museband.com to see schedule of classes at your school.

Registration is open through September.

The cost of these lessons are half what it costs to take privately and students have the added attraction of playing in a group setting (your school band) as well as participating in other events sponsored by M.U.S.E. We have a fabulous staff of very qualified and talented teachers. Students will learn how to read music right away and will be prepared to perform their very first concert within a few months time. See our website for details on all the performance opportunities and workshops we include in the price!

Cost: This is a 9 month program with the yearly tuition broken up into 3 billing cycles. We encourage students and parents to commit to the school year. You have two options of making payments: yearly and receive a \$20 discount or pay by 3 month billing cycle of \$162. There is a one time yearly \$35 registration/materials fee due with the first 3 month payment. If special payment arrangements need to be made you need to contact the M.U.S.E. office. For the convenience of parents, we can take credit card payments online at www.museband.com. You can also register online. Instrument rental is separate. For more details about billing cycles and policies, please go to our website. M.U.S.E. does offer a limited amount of financial aide for those who qualify. See website for details.

Instruments: We teach the following instruments:

Flute, Clarinet, Alto Saxophone, Trumpet, Trombone, Percussion (*Percussionists need a snare drum and preferably a small bell kit*). We have information about instrument rental on our website. We also have special "try-out an instrument sessions" in some east bay locations where kids can try an instrument and even rent one that same very day. See our Instrument page on our website for dates, locations, and times.
