

Permission to Publish Photos on the Website

1. What's it for?

Photos of classroom activities, field trips, and school events enrich the school website. Parent and student consent is required to allow the **faculty** and **staff** to publish photos containing students on the school website.

To protect students' identities, names of students will not be published near or in reference to photographs on the school website. Only **faculty** and **staff** will be allowed to add photographs containing students to the school website - students may not do so.

Please discuss this form with your child, and fill out sections 2 and 3 together. Return a form to the school for **each child; do not allow multiple children to sign one form.**

2. Student's Consent

YES	NO	I give Corpus Christi School the right to use my photograph for reproduction on the Internet (the school website.)
------------	-----------	---

This material will only be used for activities related to Corpus Christi School's website. I understand that my name shall not be associated on a web page with photographs containing my picture.

I understand that I will not be permitted to include pictures of myself or other students on my personal web pages hosted on Corpus Christi School's website.
